Technique: Basketweave Beading

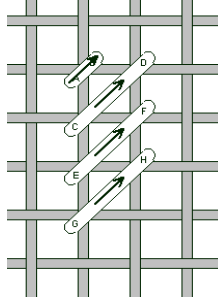

- Moving in a basketweave direction, apply the beads with a cross-stitch.
- The first step is to always come up in the lower left hole, going down in the upper right hole.
- When covering a vertical thread, come back up in the lower right hole, go through the **bottom** of the bead, and go back down in the upper left hole.
- When covering a horizontal thread, come up in the upper left hole, go through the **bottom** of the bead, and go back down in the lower right hole.
